

CHANNEL ISLANDS WATERFRONT HOMES NEWS

Prepared for the Channel Islands Waterfront Homes Owners Association JULY AUGUST SEPTEMBER 2014

*****IMPORTANT NOTICE*****

NEW KEY FOB SYSTEM

The Board will review the revised contract for the finalization of the new key fob system at the meeting on August 28. If approved, the key fob system will be up and running within 30 days.

Owners who have NOT received their new FOB key, PLEASE CONTACT SARA TAYLOR as soon as possible to make arrangements to get it!!! The old key system and keys will be obsolete within 30 days of the new key fob system being in place. There will be a dual key system during this change-over for a short period of time, but at some point the old key system will not be available. Common area cards will still be used in the drive-in garage entry and the clubhouse.

What is a FOB? Pronounced like Bob

A keyless entry device that will replace the lobby and pedestrian garage keys.

THE MARINA CLUB AT CHANNEL ISLANDS

Residents and their guests enjoy use of the beautiful waterside clubhouse, pool, spa and gym facilities, gas barbeques, extensive free parking and two tennis courts. These amenities are called *The Marina Club at Channel Islands* and membership is exclusive to the Channel Islands Waterfront Homes residents and the Anacapa Isle Marina tenants who rent boat slips here. Cost of maintenance and management are shared between the HOA and the Marina which helps keep our HOA costs down. Inside the Marina Clubhouse are the offices for the Marina and our HOA staff. Anacapa Isle Marina manages the clubhouse. Reservations for the private meeting room are arranged through the marina. All questions regarding clubhouse use should be directed to them at (805) 985-6035 or by sending Sara an email which she will forward to them. "Members" use their common area pass card to enter the clubhouse facilities which are open daily from 8:30 a.m. - 10 p.m.

FREE WI FI in the Marina Club

The clubhouse offers free wi fi within the facility. The clubhouse hotspot name is: **Anacapa** and the password is: **5544b54321**

As Reported in the VC Multiple Listing Service for the last 6 months.

1+1	\$262,500	2901 Peninsula	3/12/14
1+1	\$265,000	2901 Peninsula	8/15/14

YOU ARE THE EYES AND EARS OF OUR COMMUNITY

No one notices suspicious activity better than you!

Our panoramic views offer a bird's-eye-view of our beautiful surroundings

and the bustle of activity in and around the complex. Residents are usually the first to spot someone or something suspicious. Report crime (or suspected crime) to 911. If you see an incident, document and submit it to the HOA. Thieves these days are scouting cars for phones, ipads, wallets and checkbooks (say the local police.) Don't invite trouble; always lock your cars and don't leave anything of value in plain view.

D-R-O-U-G-H-T \$\$\$

Conserving water keeps your HOA dues down! Please practice water conservation wherever you can. If you save, we all save.

- If you see broken sprinklers, Please report them ASAP!
- Use a shorter dishwashing cycle
- Turn off water while brushing your teeth or shaving
- Fill a pot while waiting for hot water.

See 100 more ways to conserve water at
<http://wateruseitwisely.com/100-ways-to-conserve/>

CHECK YOUR WALL HEATER

Let the summer heat be your reminder to check your electric wall heaters to be sure they are clean and the wiring is in good condition before winter comes. Dust can build up inside the units and become a fire hazard. Clean them regularly or have them serviced by a licensed professional. Do not place furniture in front of the heaters to ensure free air flow and prevent them from overheating.

IF IN DOUBT, WALK IT OUT

If you have stinky garbage, please walk it down to the dumpsters outside - especially on the weekends when the bin in the garage collects trash for a few days.

Use garbage seals or tie knots in your trash bags. Especially with kitty litter.

Don't put used food or drink containers in the inside recyclable containers. Styrofoam is not recyclable.

Since we're on the subject of stinky things...

September is National Pick-up After Your Dog month. Mutt Mitt stations are located in front of each building, the clubhouse and along the marina walkways.

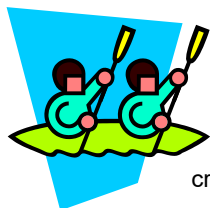

Coming Soon...Channel Islands Sunsets

As summer winds down, we locals know the best is yet to come! September through December traditionally bring warm sunshine, crystal clear skies and our FABULOUS SUNSETS over the Channel Islands.

Watching the sun set from the best seat in the house (your living room sofa) is one option but another is to go outside and enjoy the accompanying sights and sounds. With miles of walking and biking paths around the Harbor now expanded to the back bay of Seabridge and Westport and our endless quiet sandy beaches, there are plenty of places to enjoy our unique happy hour.

Make a Splash!

We are lucky to have several vendors nearby that rent boats, kayaks, stand up paddle boards (SUP's), and jet skis while others offer passenger seating for Harbor cruises and more.
